UKPRN: 10030511

Apprentice Name: Apprentice Z

Apprenticeship title: AAT Foundation Certificate in Accounting Level 2

Learning Aims: 60165521

Levy Employer: Croydon Council

Apprentice Z has successfully passed his AAT Level 2 Apprenticeship and has been offered a permanent role at Croydon Council as a Cash & Control Officer. Additionally, Apprentice Z has been chosen as the Apprentice Ambassador for Croydon Council for the 'Choose your future programme'. Young apprentices get the opportunity to speak about their future career goals with the aim to inspire others to set goals and consider Apprenticeship as a viable education pathway.

Apprentice Z words:

I had never worked in office environment before this apprenticeship, so I had to be able to adapt and understand what being in a working environment entails, especially in a big organisation with a lot of people. Being part of All Inclusive Advice & Training has helped me be in control of my learning and having one-to-one sessions on difficult topics has greatly helped. I wouldn't have got as far without them.

During my level 2 apprenticeship I have learned how to monitor budgets, raise purchase orders and invoices, process journals, financial analysis and salary monitoring. I have gained all this knowledge working underneath a management accountant. I have developed skills such as professionalism, confidence and accuracy. Due to completion of my course, I have been offered a permanent role at Croydon Council as a Cash & Control Officer.

I have achieved a lot whilst on my apprenticeship! One of my main highlights is being chosen to be the Apprentice Ambassador for Croydon Council and be part of their marketing campaign and have my face on billboards, bus-stops and buses all over Croydon.

My future plan is to be a Financial Advisor and I am sure I will succeed!
